Southend Lifeboat Assists Capsized Dinghy.

Southend on sea's RNLI volunteer lifeboat crew were out on exercise in Old Leigh, when they were tasked by Thames Coastguard at 13.15hrs to reports of a capsized sailing dinghy just west of the pier.

The lifeboat arrived on scene to find the two sailors, one male, one female in the water and having difficulty righting the vessel. With the lifeboat crew's assistance, the dinghy was righted and two sailors were able to continue on their way.
